CPD Plan

Specifically tailored to your individual needs, your CPD plan is designed to help you fulfil your potential as an industry professional and ensure you meet your compliance requirements. We're committed to providing you with the tools to help you thrive in a competitive environment and achieve your best.

Your CPD plan requirements

To ensure you maintain your CPD knowledge and skills requirements, you must successfully complete the learning shown below. You should also refer to your Licensee's CPD policy to ensure you meet their CPD learning requirements. You're required to complete a minimum of 60 points of learning during this CPD year. Any additional learning requirements (if applicable) may be counted towards meeting this target.

CPD plan requirements	Minimum Target (Points)
